

Information Sheet 1

Medical Forms:-

These now need to be done online. When you log into www.sportandrecreation.nsw.gov.au, on our home page you will see a green circle with a picture of a family in it, just below that, choose, community groups the page will then have a list information, choose the link (medical and consent form) under medical conditions You will need the dates of our Get Together 6-9 October, and the booking number [491161](#)

Carers

All carers are now charged at \$50 per person irrespective of companion card, or not. This is a change from last year that is driven by NSW Sport & Recreation.

Linen

We have included the cost of linen in the cost per head this year, to save on money handling.

Transport

In previous years there has been a Sport & Rec bus (seats 21) that we have used (hired) to do pickups from the airport and any day trips that have been part of our program. This bus no longer exists. This will reduce our ability to go for a day trip and do airport transfers.

Weather

This year our Get Together is a bit later than normal, which means that the weather should be a bit kinder than previous years. We intend to do more beach activities and a marine walk this year.

Suggestions

We are always open to suggestions regarding content of our presentations, what guest speakers you may be interested in or a movie you might like to watch, a fun activity you would like to see introduced, please send me an email and I will see what I can do.
